GREAT OBJECT HUNT: HEALTH

EXPLORING 	Ages 7-11 11-14	Topics LIVING THINGS	 30 MIN
	Skills used MAKING OBSERVATIONS · COMMUNICATION		

Follow your curiosity and the things that interest you to explore the amazing objects in our galleries. Use your observation and questioning skills to get thinking and talking about how science and technology shape our lives.

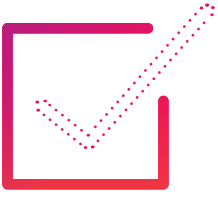

See how many challenges you can complete in 30 minutes.

Top tips for exploring...

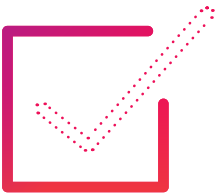

- **Find different objects for each challenge**
- **Look up, down and up close and see what you find**
- **Work together as a team and talk about your choices**
- **Write down or draw the different things that you find**

TEAM NAME:	
NAMES OF TEAM MEMBERS:	
FINISH TIME:	MEETING POINT:

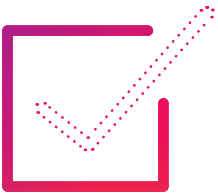

Choose different objects for each challenge. Find...

Something that could be used to keep you healthy

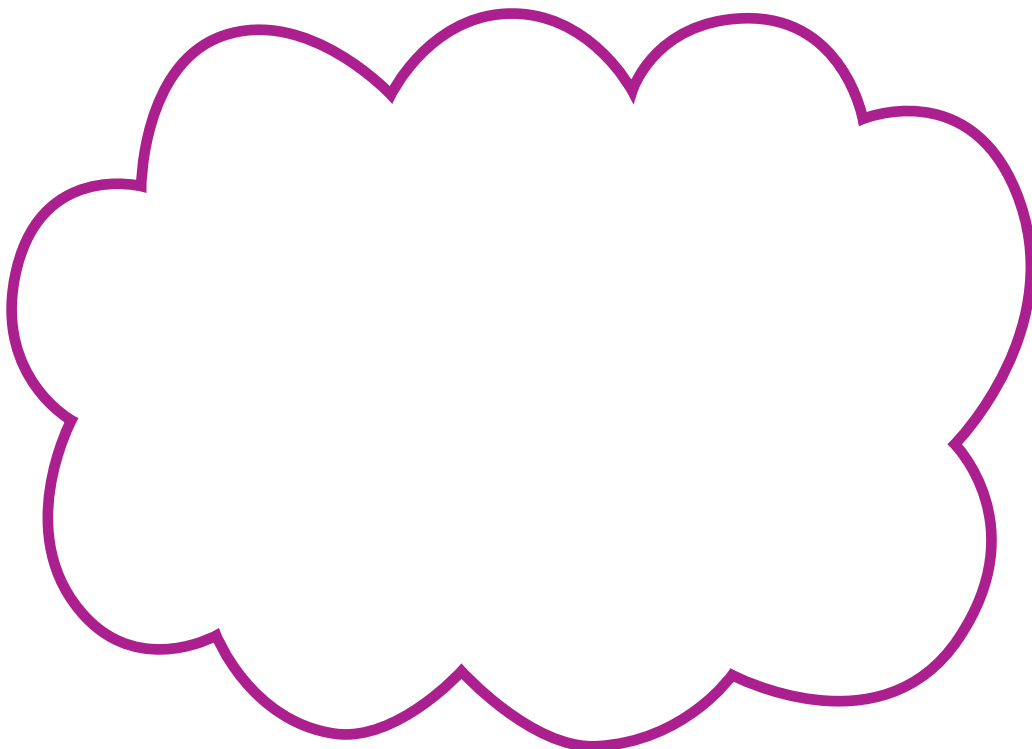

Something that is bad for your health

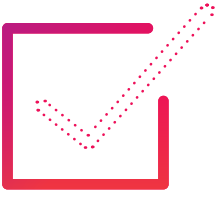

Something that could help you see or hear better

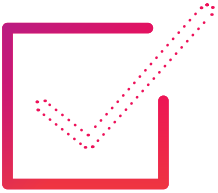

**Look closely at a display with lots of objects.
Turn away and see how many you can remember**
